

# Electronics Recycling Report Card

## Grading for: **VIZIO**

Vizio has rapidly become the leading or second leading seller of flat panel TVs in the U.S.

Category	Possible Points	Points Earned	Details
<b>Scope of U.S. takeback recycling program</b>			
<b>Free, convenient, national takeback program</b> Does the company offer free convenient national takeback and recycling of their branded products for individual consumers? - Convenience requires ongoing physical collection sites as well as mailback options. - Evaluates efforts made in states with no e-waste laws or laws with weak requirements	13	2	Vizio is one of five partners of MRM Recycling which has a modest national program with 251 sites in the 41 states without strong laws.
<b>Significant collection volumes</b> Does takeback program have significant collection volumes, and does the company have high volume even in states where the law does not require it?	16	3	MRM Recycling collected 22 m lbs. in 2009 & 23.8 m. lbs. from Jan. through Aug. 2010. Not clear how much is for Vizio, so partial credit.
<b>Transparent reporting</b> Is the company transparent in reporting on collection volumes, including where they are coming from?	7	0	No information provided.
<b>Free not just for consumers</b> Does company offer free national takeback recycling for other customers – not just individual consumers?	1	0	MRM Recycling specifically says the program is for consumers.
<b>Takeback other brands</b> Does program take products from other brands for free or a nominal charge?	1	0.5	MRM Recycling website states there "may be a charge for recycling other brands or products in certain states."
<b>Encourage reuse</b> Does the program encourage responsible reuse of electronic equipment and parts?	4	0	No information provided.
SUBTOTAL	42	5.5	
<b>Does program provide responsible recycling?</b>			
<b>Are recycling vendors e-Stewards?</b> Does company only use e-Stewards as vendors for all of its consumer recycling, including trade in/buy back programs? For more info, see <a href="http://www.e-stewards.org">www.e-stewards.org</a>	22	11	MRM uses some E-Stewards and some that recyclers that are not.

<b>Other public commitment to responsible recycling</b> If the company is not using e-Stewards, does it have another public commitment to not export toxic e-waste* to developing countries, use prison labor or landfill/incinerate toxic e-waste?*	Up to 5 of the 22 pts above	0	
<b>Publish vendor requirements</b> Does company publish its full recycling standards (vendor requirements) on company website?	4	2	
<b>Disclosure of recycling vendors</b> Does company disclose all of the electronics recycling and refurbishing vendors, used by the company and its trade-in partners, on company website?	6	6	MRM discloses all their recycling vendors
<b>Disclosure on business takeback streams</b> Do the four disclosures above apply to business streams? While this report card is aimed at consumer streams, company takeback programs for businesses (asset recovery, business trade-ins, lease returns, etc.) comprise a huge volume of some manufacturers' takeback programs.	4	0	No information provided.
SUBTOTAL	36	19	
<b>Other</b>			
<b>Disclosure of what is closed loop recycled</b> Does company disclose information about what streams from its takeback program are closed loop recycled or make a commitment to move in this direction? Closed loop recycling means recycling material streams back into other products the company makes or products of equal value (not down-cycling).	2	0	No information provided.
<b>Disclosure of how much is closed loop recycled</b> Does company report on the volume of material that is recycled into closed loop recycling?	5	0	No information provided.
<b>Recycling info easy to find?</b> Is it easy to find recycling information on company website?	3	1	They have two links to the recycling page on the home page but neither say recycling. The MRM Recycling link provided does provides the mailback option but not the MRM Recycling fixed sites.
<b>Recyclable Packaging</b> Does the company ship products using packaging made from materials that are typically easily recyclable for most U.S. households (cardboard, but not Styrofoam/ polystyrene)?	2	0	No information provided.
